Highways and Public Works

Leaders...

Building Foundations

Inspiring Innovation

Exceeding Expectations

Without a firm foundation, nothing lasts.

Yukon's [Department of Highways and Public Works](#) provides services and infrastructure that Yukoners need to go about their daily lives with safety, connectivity, and purpose. We build infrastructure like roads, hospitals and airports, and provide services like procurement and information technology and information management. Our work is building the foundations that enable you to enjoy a full life in Yukon, one with freedom and opportunity to travel where you need, to do your job without constraints, and to connect with the people that matter to you.

We're here so you can be there.

The [Property Management Division](#) of Highways and Public Works builds and maintains government buildings to provide safe workplaces for Yukon government (YG) employees and public access to government services. We provide planning, project management, maintenance, and custodial services for existing and new facilities. We employ tradespeople, architects, engineers, labourers, administrators, and more; there are a variety of exciting career opportunities in the Property Management Division.

Our people are your people.

As Director, Major Construction, you will provide leadership and guidance during the design development, construction, commissioning and transition phases of major capital projects. This position also involves responsibility for leading, and providing mentorship, to internal and external project teams.

For information about applying to a Highways and Public Works competition, contact Matt Lackowicz, A/Director, Human Resources, at matthew.lackowicz@gov.yk.ca.

For more information about this job, contact Jennifer Macgillivray, ADM, Property Management, at jennifer.macgillivray@gov.yk.ca.

Please do not email resumes to either of these addresses; resumes may only be accepted through e-recruitment.

Essential Qualifications

- Degree in Engineering or Architecture, or Project Management Professional (PMP) designation would be an asset
- Considerable project management experience, leading large infrastructure projects
- Considerable experience leading, and providing mentorship to, a team of project managers, as well as external project teams
- Experience working with internal and external stakeholder groups
- Experience with financial management (i.e. budgeting, planning, analysing financial data, etc.).

Candidates who have education, training, and/or experience equivalent to the essential qualifications listed above will be equally considered.

Desired Knowledge, Skills and Suitability

Candidates will be assessed using the [Yukon Government's Core Competency Framework](#). The competency model consists of the following eight competencies:

- Taking Action and Achieving Results
- Promoting Common Values and Ethics
- Developing People
- Demonstrating Client Focus
- Modeling Interpersonal Skills and Personal Responsibility
- Influencing Others
- Thinking Strategically
- Leading Change and Innovation

Conditions of Employment: Valid Class 5 Yukon Driver's Licence

Job Requirements: Travel throughout Yukon and Canada
